

BHK Youth Services
Great Explorations
2018- 2019 Registration Procedure

Dear Families,

Welcome to BHK Youth Services! We are looking forward to another safe and exciting school year. Our staff strives to deliver a program that allows your child to learn, explore, and grow. All elementary sites are licensed and uphold standards of care as defined by the State of Michigan Department of Licensing and Regulatory Affairs.

The Great Explorations (GE) programming will run *four days a week* during the 2018-19 school year for two and a half hours after school is dismissed. We strongly encourage families to allow students to remain at GE for the entire duration of programming so they may receive the full benefit of the daily components. Because space may be limited, registered students are encouraged and expected to attend each day they are in school.

Our registration packet contains several forms which must be completed in order for your child to participate in GE:

- Registration Form
- Parental Consent/Release Statement
- Parent Notification Regarding Child Custody Form

This registration form contains emergency information so **every line of the registration form must be filled out completely and accurately**. For example, if the line asks if your child has allergies and your child does not, please write "**none**". If your child does have an allergy or any other medical condition, please enter the information with as much detail as possible. If your child requires medication to be given during our program, a separate Medication Log and Consent form must be completed. Please request this form from your Site Coordinator.

To help our staff clarify parental custodial/non-custodial situations, **a parent/legal guardian name listed on your child's birth certificate must be provided** on the registration form. (A second parent/legal guardian name is optional.) We have provided a separate notification of our policies regarding custodial rights for parents. Legal documentation is required to support non-custodial claims. We recognize that every situation is unique, so please feel free to call us and discuss how we can best serve your family.

The registration form is good until June 2019. Fill out a separate registration packet for each child participant. **All completed forms must be returned to the site office before your child may attend the program.**

Thank you for thoroughly completing the registration packet. This helps us provide a safe and nurturing environment for every student. Please contact us if there is additional information that you would like to provide, or if you have questions.

BHK/Youth Services
Parent Notification regarding Child Custody

As per State and Federal Law (MCL 722.30 & FERPA), please be advised, the BHK Child Development Board Youth Services program recognizes the equal rights of parents and guardians as indicated on a certified birth certificate or legal court order.

In cases where parents/guardians are legally separated, or divorced, the parental rights of both parties will be equally recognized by your child's program site, **unless and until** a parent/guardian has a legal court order that specifically restricts or denies the non-custodial parent's access to the child at their program site, the child's records, or other protective order.

To accommodate a custodial parent's request to deny non-custodial parent's rights to access any information on a child, the program site **must** have a copy of the most recent court order on file that indicates that the parent's access and information rights are inhibited. Otherwise either parent with proper identification, may have access to the child at their program site, request and receive information and be included in the child's educational process.

Please sign to indicate you have read this and understand the program's position.
